A big THANKS to all teams for having...

- worked hard the past 4 ½ months, producing high-quality project reports and presentations – voluntarily and independently!
- actively engaged in the webinars, asking questions and giving feedback to the other team members
- found solutions that are innovative, doable and certainly of interest to the food industry and the food chain as a whole
- developed ideas, tools and actions that contribute to sustainability in the food value chain!

Keep up the good work!

And the **WINNING TEAM** of the 2019/2020 FoodFactory-4-Us Sustainable Supply Chain Competition is...
