THE REFERENCE IN THE BARLEY TO THE BEER

InstitutFrancaisBrasserieMalterie

ifbmnnancy

ifbm.nancy

■ History

- **Origin:** 1893 Laboratory of Brewery School
- **Founded in 1962** by the will of national professional organisations
(Malteurs de France, Brasseurs de France)
- **Status :** Association “Law 1901”
- Today : About 35 collaborators (Technicians, Engineers, PhD, ...)

■ Institute of reference

- **ITAI Qualification** : Technical agro-industry institute
- At the heart of the **barley to beer chain** (collaborations with agronomists, phytopharmaceutical companies, maltsters, hop growers, brewers, etc., producers, consumers...)

Our activities and services

- Research and Development
- Qualification of new barley and wheat varieties
- Phytosanitary qualification for barley and wheat
